About KLE Society

KLE Society, the sponsoring society of the KLE Academy of higher Education and Research, Deemed-to-be-University, Belagavi is the KLE Society, Belagavi. The KLE Society was established in 1916, and has over the years established itself as a rising star in the field of education and healthcare. The KLE Society celebrated its centenary year in 2015-16. This occasion was graced by Hon. Prime Minister Shri Narendra Modi ji. The KLE Society is unique as it was formed by seven visionary and dedicated teachers "Saptarshis" with philanthropic support from three generous Patrons. It is also unique in its association and governance, as it runs purely on democratic values and principles with a charitable objective. The Society has undergone rapid metamorphosis in the last 35 years as it has bloomed and blossomed from 35 institutions then to more than 318+ institutions all over the country under the visionary leadership of Hon. Chancellor Dr. Prabhakar Kore now which in itself is an inspirational achievement. The collaborations with universities in the US, UK and Malaysia have added a whole new dimension to the KLE Society making it on par with reputed educational institutions worldwide. Under the unparalleled leadership the KLE Institutions has reached enviable heights. His spectacular chairmanship beyond 40 years, with the active support of his team of elected members, embodies the collective efforts of everyone in KLE, including 13,000 members of the trust, 1,48,000 students, and 18,000 strong faculty, in making KLE an international Education-destination. Over the past 50 years of its existence, the college has transformed into a center of academic excellence, which is evident by unique milestones such as NBA with six years and NAAC accreditation with A+. The institution is ranked 50th among Pharmacy colleges all over India by NIRF (MoE), in 2025. The institute has a strong alumni association with over 2000 active members, who are placed globally at various positions in academics, Clinical, Industrial, Regulatory and Entrepreneurial services. The institute is also recognized as Continuing Education in Pharmacy (CEP) center by the Pharmacy Council of India.

About the **Conference**

7th NPC will serve as a dynamic platform uniting education, research, technology, and patient care, with a strong focus on digital intelligence in pharmacy. It aims to inspire young pharmacists to embrace diverse career paths in hospitals, community pharmacies, academia, research, and global healthcare sectors by integrating digital tools and innovations into practice. Considering the rapidly evolving pharmaceutical landscape, the forum will explore the challenges and opportunities brought by digital transformation, fostering knowledge sharing, skill development, and confidence building. Ultimately, the conference seeks to cultivate a new generation of digitally empowered healthcare leaders capable of addressing the complex demands of modern medication use and patient care.

Empower Young Pharmacists:

- Providing a platform for emerging professionals to explore contemporary trends in pharmacy education, patient care, and research.
- To equip future pharmacists with digital skills by integrating artificial intelligence, data analytics, and digital health tools into pharmacy education, research, and practice.
- To foster innovation and collaboration among professionals, educators, researchers, and industry leaders for advancing patient care, medication safety, and healthcare outcomes through digital intelligence.
- To address ethical, regulatory, and professional challenges in adopting digital technologies, ensuring their responsible and effective use in global pharmacy practice.

Conference Highlights
